

6th ANNUAL PADDLE-A-THON SPONSORSHIP

All Paddle-A-Thon Sponsorships includes Event Signage and Website Recognition

Our 6th Annual Paddle-a-Thon major fundraiser will take place on **Friday, September 1, 2017**. This all-day fundraising event is being held on the Windsor Waterfront and in the PCC Clubhouse, and will include the following Pisiquid Canoe Club celebration events.

This event is traditionally held annually on the last Friday of our summer season. We need parents and community business volunteers to participate to make this major fundraiser a success. Scotiabank staff will be available to volunteer throughout the day. Proceeds will fund annual boat repairs, equipment upgrades, seasonal boat purchases and program operating expenses, to help keep our summer membership rates at an affordable price.
